TSS ORGANIZATION AND FUNCTIONS 1955 25X1
27 Jan 55, SECRET 25X1

Ditto copy of statement of TSS organization, mission and functions circulated within TSS and forwarded DDP for publication as a chapter of CSI 70-1.

Purpose of the organization: to reduce C/TSS span of control. Instead of having 12 divisions reporting to him directly, the house was divided into three major activities, authentication, operational aids and R&D, each headed by an Assistant Chief TSS. While the structure of 1955 was often criticised by other CS elements, it remained as the basic framework for all subsequent TSS organizations.

Note: for subsequent organizations, see C/PTS safe in Executive Staff, TSD
